

Karges Family Chiropractic

Financial Understanding and Agreement

I understand the prices for chiropractic services at Karges Family Chiropractic are as follows:

Patient Examination/Physical Exam/Neurological Exam: 100 dollars

Chiropractic Manipulation/Adjustment: 65.00 dollars

Ultrasound Physiotherapy: 25.00 dollars

Active Release/Myofascial Release Soft-Tissue Technique/Trigger Point: 40.00 dollars

Decompression Table: 50.00 dollars

1. I understand that Karges Family Chiropractic offers a same day cash discounted price of 50.00 dollars for chiropractic services rendered to the patient the day of treatment.
2. I understand that if I do not pay the cash discounted rate on the same day of service, I will be billed and am liable for the full price of my treatment.
3. I understand that if I have health insurance that has chiropractic coverage, I am to pay my copay on the day of treatment.
4. I understand that if my health insurance does not pay, I will be billed and am liable for the full price of my treatment.
5. I understand that it is ultimately my responsibility to verify my own health insurance coverage and be knowledgeable and communicative if my plan has a deductible.
